## LAKEWOOD

Encompassing approximately 44 square miles in Jefferson County, Lakewood sits between the Rocky Mountains and the heart of Denver. As the 5th largest city in Colorado by population, Lakewood is a key component of the 7 county Denver-Aurora-Lakewood Metropolitan Statistical Area. Surrounded by several major universities and research facilities, including the world renowned Colorado School of Mines, Lakewood has one of the most highly educated workforces in the country with 36% of residents holding a bachelor's degree or higher. The city has dedicated more than 7,100 acres to parks and open space, with approximately 200 miles of hiking and biking trails.

Lakewood has also become a hotbed for employment in the aerospace, financial services, technology firms and government sectors with corporations such as 1stBank, The Integer Group, and HomeAdvisor holding large employment centers in Lakewood. Government is Lakewood's most dense employment sector, largely due to the presence of the Denver Federal Center. Home to employees from 26 different Federal agencies, Lakewood boasts the largest concentration of federal agencies outside of Washington D.C. The city also hosts employment concentrations in the mining/oil and gas/energy related, medical device manufacturing, and renewable energy sectors. Recently, Denver's RTD program has made a concerted effort to bring light rail to Denver's west suburbs.

Lakewood has become the beneficiary of the RTD W Line which opened in 2013, giving significant boost to local business and commuters living in the city.
