NorthPeak Commercial Real Estate Advisors is pleased to present **Grandview Manor**, a rare mixed-use investment opportunity at 7207 Grandview Ave in Arvada, Colorado. Known locally as the Wilson House, this historic property is one of Old Town Arvada's most recognizable assets — built in 1889 and serving as the eastern gateway into Olde Town along Grandview Avenue.

The offering consists of 12 residential units, 2 office suites, and 8 storage units on a large lot, delivering a diversified income stream with meaningful upside. The charming side-by-side unit configuration of the back units gives the property a distinctive character that simply cannot be replicated with new construction. Situated directly across the street from the Olde Town Arvada G Line light rail station and steps from the restaurants, boutiques, and energy of Olde Town, this is one of the most walkable addresses in Jefferson County. New development activity in the immediate area underscores the neighborhood's continued momentum and long-term appreciation trajectory.

At \$1,900,000, this property offers investors a genuinely irreplaceable foothold in one of metro Denver's most beloved and supply-constrained urban neighborhoods.
